There are 3 actions on the login page. Sign in, sign up and forgot password.

Login activity is checked with Spring Security. In addition, all data received from the user were verified. Session and cookies are saved with the remember me option.

With the forgot password link, a password reset link is sent to the e-mail address registered in the system.

A new user can register to the system by filling in the necessary information. Mandatory fields are validated and the input format is checked with regex.

Dashboard Page

The dashboard page features a sidebar with navigation links: Company All, Dashboard, Advertisements, Contents, Customers, Products, Galleries, News, Announcements, Likes, Surveys, Orders, Settings, and Logout. The main area displays the following sections:

- General Statistics:** Shows 5 Likes, 9 Customers, 9 Orders, and 16 Contents.
- Last Added 6 Product:** A table listing the last six products added to the system, including Harry Potter & Half Blood Prince Dvd, Audi R8, Black&Decker BEMW471BH, Mavi Kadın Kapüşonlu Siyah Şıgme Mont, Mavi Erkek Mavi Logo Baskılı Yeşil Tişört, and Miss Kaputap Kedi Tırmalaması + Yayı Kedi Oyuncağı.
- Last 6 Order:** A table listing the last six orders, including Order No. 1718047501 from Hakan Özer.

A detailed view of the General Statistics section, showing 9 Likes, 13 Customers, 10 Orders, and 4 Contents.

With the Dashboard page, it is aimed to follow the actions in the system easily and to follow the statistical data.

Recent additions are listed in the table. The number and distribution of assets in the system are shown in graphs.

A table titled "Last Added 6 Product" listing the most recent six items added to the system.

The total number of clicks on the ad is displayed here. Click action is performed on the **service** side. As you click on the ad, the number increases and the current status is checked from this panel.

With the preview button, the image uploaded for the advertisement can be displayed in a modal.

Content Page

On the content page, the content; Add, delete and edit operations are available.

Additions at the top are dynamically written to the table below. A text editor is also used here.

The screenshot shows a web-based content management system. On the left is a dark sidebar menu with the following items:

- Dashboard
- Advertisements
- Contents** (highlighted in purple)
- Customers
- Products
- Galleries
- News
- Announcements
- Likes
- Surveys
- Orders
- Settings
- Logout

The main content area has a header "Company All" and a user profile "Eymen ERUYAR Admin". Below the header, the title "Add Content" is displayed. The form contains fields for "Title" (with placeholder "Enter title"), "Description" (with placeholder "Enter description"), and "Status" (set to "Active"). There is also a rich text editor toolbar with buttons for Normal, Bold, Italic, Underline, etc., and a text input field with placeholder "Enter the contents details...". At the bottom of the form are "Submit" and "Reset" buttons.

Below the form is a table with the following columns: NO, TITLE, DESCRIPTION, STATUS, DATE, and ACTIONS. One row is visible, showing:

NO	TITLE	DESCRIPTION	STATUS	DATE	ACTIONS
948698	TOGG	TOGG Domestication Rate	Active	26-10-2021 19:28:44	⋮

At the bottom of the table are navigation links: First, < Prev, 1, Next >, and Last.

Customer Page

Redis is used in the customer add section on the customer page.

Country and city information is pulled from the Redis database.

With Regex, there is a format control for entries such as mail and phone information.

The screenshot displays a customer management interface. On the left, a sidebar menu lists various sections: Dashboard, Advertisements, Contents, Customers (which is selected and highlighted in purple), Products, Galleries, News, Announcements, Likes, Surveys, Orders, Settings, and Logout. The main area shows a table of existing customers with columns for NO, FIRSTNAME, LASTNAME, and STATUS. A modal window titled "New Customer" is open, prompting for First Name, Last Name, Phone 1, Phone 2, E-Mail, Tax No., Country, and City. The "Country" field is a dropdown menu currently set to "Turkey". A purple arrow points from the explanatory text above to this dropdown. The "City" field is also a dropdown menu currently set to "Adana". At the bottom of the modal are "Reset" and "Submit" buttons. The footer of the page includes a copyright notice "2021 © All Rights Reserved".

Product Page 1/3

On the product page, there are both products and category actions to the product. Adding, deleting and editing operations are available.

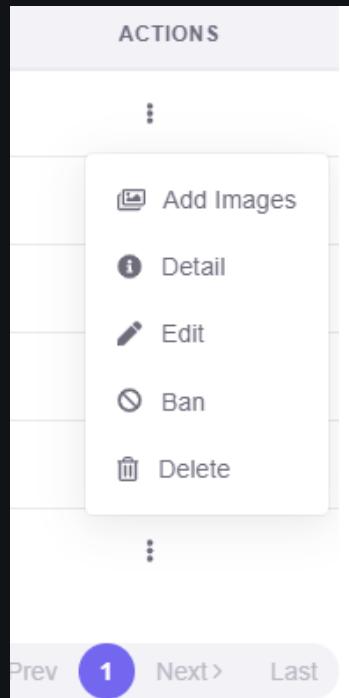

Product and category additions occur within the modal.

The screenshot shows the 'Product' tab of a web application. At the top, a message states: 'Separate pages are opened for adding and listing on the Product tab.' Below this, a modal window titled '+ Add Product' is displayed, containing fields for Name, Description, Categories, Price, Date, Status, and Actions. A purple arrow points from the 'Add Product' button on the main page to the modal. The main page features a table with columns: NO, NAME, DESCRIPTION, CATEGORIES, PRICE (₺), DATE, STATUS, and ACTIONS. The table contains six rows of product data. On the right side of the page, there is a search bar labeled 'Search Product' and navigation buttons for 'First', '< Prev', '1', 'Next', and 'Last'.

A modal window titled "Audi A6 RS - 1" is open. It contains a "Product Image Upload" section with "Choose file" and "Browse" buttons, and a "Submit" button. Below this, there is a large image of a silver Audi A6 RS station wagon parked outdoors. Underneath the image, there is a "Delete Image" input field and a red delete icon. At the bottom of the modal, there is a table with the following data:

Price	Saved Date	Status
1,871,654.00 TL	26-10-2021 18:19:55	Available

Below the table, there is a "Details" section with a long paragraph of descriptive text about the Audi A6 Sedan. At the very bottom of the modal is an "Accept" button.

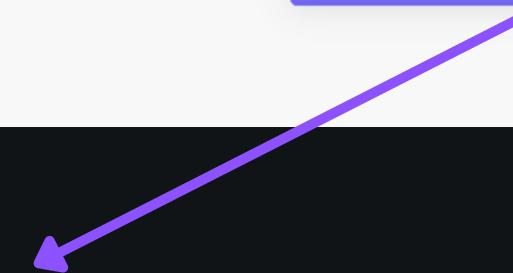

Operations pertaining to the picture are performed with the buttons under the Actions bar. Multiple images can be added to the product with the image add button. With the Detail button, the summary information of the product is displayed on the screen in modal form, the product number, title, description and added pictures are displayed on this screen. In addition, product images can be deleted in this modal.

Product Page 3/3

This screenshot shows a product listing page for the 'Products' category. The sidebar on the left includes links for Dashboard, Advertisements, Contents, Customers, Products (which is selected), Galleries, News, Announcements, Likes, Surveys, Orders, Settings, and Logout. The main area displays two products: 'Apple Watch Series 7 GPS, 41 MM' and 'Apple iPhone 13 Pro Max'. Each product has a thumbnail, a rating, a price (4,399.00 TL and 21,600.00 TL respectively), and a 'More Details' button.

This screenshot shows a product listing page for the 'Automobile' category. The sidebar on the left includes links for Dashboard, Advertisements, Contents, Customers, Products, Galleries, News, Announcements, Likes, Surveys, Orders, Settings, and Logout. The main area displays two products: 'Audi A5 Coupe' and 'Audi A7 RS'. Each product has a thumbnail, a rating, a price (992,305.00 TL and 3,978,168.00 TL respectively), and a 'More Details' button.

This screenshot shows a detailed product page for the 'Audi A5 Coupe'. It features a large image of the car, the title 'Audi A5 Coupe', the brand 'By Audi', the price '992.305 TL', and the status 'Available - In stock'. Below the title is a long, dense text block. At the bottom, there are two buttons: 'Free Shipping' and '\$ EMI options available'.

On the product listing page, the products registered to the system are listed by filtering according to their categories. When you click on the listed products, information about the product is displayed on a separate page.

Gallery Page

The events on the gallery page are of the same nature as the product page. You can check the previous page for detailed information.

The screenshot shows a web application interface. On the left, a dark sidebar menu lists various categories: Company All, Dashboard, Advertisements, Contents, Customers, Products, Galleries (selected), News, Announcements, Likes, Surveys, Orders, Settings, and Logout. The main content area displays a table titled 'Gallery' with three rows of data:
